

You can't beat the real thing.

Interior designers and homeowners with a penchant for style have long looked to the outdoors for inspiration, and Robinson Rock™ answers the call with all-natural Thinrock veneer. Think of it as Mother Nature, in easy-to-install pieces.

Cut from real stone, and available in dozens of organic colors, Robinson Rock lets you bring the beauty of the outdoors to your home - inside and out. Real stone means that every piece of Robinson Rock is as unique as your own style. From the exterior of your dream home, to the fireplace in the living room, nothing makes a statement like Robinson Rock.

Robinson Rock sets the industry standard for natural stone veneer. Robinson Rock is lightweight, so it installs easily without the need for load bearing foundations. It's beautiful, simple, and lasts a lifetime. Simply put, you can't beat the real thing.
